Submitted with a draft Go for appl

Feb The papers forwarded show that in March no Contribution was paid by the Mcty to the Reading room Also, the Mt Cl has not answered all the queries raised by the D C, eg. the number of members, the number etc of Library & Reading room
The financial condition of the Mcty is not at all satisfactory and to lay it under further Contribution would be not a good policy There is the weight of overdraft of Rs 5000 pressing on the Mcty
For all these reasons apparently the DC has merely put up the Resolution for the "orders" of Govt
May the portion be pointed out from the Mcty?

Mt for sanctioning the Panchayat of this Mcty for 1941-42

Subd

The budget estimates of the Mcty is for Rs 3,104 41 WD 011 Dt CIB 5 000
It is seen that the C B is below the prescribed minimum although the normal expenditure is more than the normal income of the Mcty

Sir

Subject - Contribution by the Madhugiri Town Municipal Council to the local Reading Room and Library

---

With reference to your letter No L 8317 dated 13-3-1942 and reminder thereto, on the above subject, I have the honour to forward herewith, in original, the connected records received - from the President, Town Municipal Council, Madhugiri and to state as follows -

The President now states that the amount of Rs 100/- prpposed to be contributed is reasonable after considering the financial position of the Municipality and that the same is proposed to be paid before the end of this official year for meeting the recurring expenditure of the Reading Room and Library He further - states that the Reading Room is situated in Town Hall building and unless this amount is contributed, it may be very difficult to maintain the institution

As the financial position of the Municipality has not much improved, I request that a contribution of Rs 75/- may be - sanctioned as a special case and the question of enhanced contribution may be taken up later when funds permit

I have the horour to be,
Sir,
Your most obedient servant,
